GUIDELINES AND INSTRUCTIONS

1. This 1 1/2 cent per bushel assessment was enacted by a producer referendum in 1985 and applies only to commercial apple producers in Missouri. A commercial apple producer is any individual, firm, corporation, or unincorporated association that produced and sold an average of 1,000 or more bushels of apples annually over the most recent three year period.
2. Commercial producers are required to complete this form and pay the assessment by December 31.
3. A late payment penalty of one percent per month must be paid on assessments submitted after December 31.
4. Make your check payable to the Apple Merchandising Fund and remit the check and original copy of this form to the:
